Conrad Meli has been appointed as a new director of Accounting Services Ltd.

Conrad Meli has been appointed as a new director of Accounting Services Ltd, part of Business Concept International plc.

He has over 13 years of experience within the accounting field, where he started off his career as a junior accounts executive with a local company and eventually joined Accounting Services Ltd in 2016 as an accountant.

Later on, based on his knowledge and experience, he was also entrusted with the role of team manager. Being such an asset to the company, this was the right moment for him to

further his career and be appointed as a director.

The board of directors congratulated Meli, referring to him as an influential individual within the group: “He has been instrumental in managing the accounting team and reaching targets at Accounting Services Ltd, and we are glad to have him as one of the executive directors within the Business Concept International plc Group of Companies.”

Upon the announcement of his appointment, Meli said that: “This is a proud moment because it is the result of the effort and hard work carried out during the past four years.

Right from the start I felt that the management had entrusted me with important roles within the firm and I am glad that my contribution has helped the firm to grow.

“As a newly-appointed director, I want to ensure a continuous improvement of the company.”

Meli will now be joining his fellow colleague and director Joceline Caruana, who was also appointed as director of Accounting Services Ltd in 2019.

Accounting Services Ltd is a company within Business Concept International plc, offering professional services such as accountancy, consultancy, tax advisory and corporate services. For more information, visit www.accountingservices.com.mt.
