Business Highlights

Dear client,

Three months have passed since our last communication, and since then, we have started operating back fully from our offices, taking all the precautionary measures suggested by the local health authorities to safeguard the health of our employees and clients. All meetings are still held by appointment, and clients are requested to enter our premises with a mask or a visor while making use of the hand sanitizers to help reduce the spread of COVID-19.

A month after, we organised a small event at the office to celebrate another milestone; the 7th anniversary of Fairwinds Management Limited and Accounting Services Ltd, during which all employees were recognised for all efforts made in the previous weeks working from home, yet still supporting our clients and keeping our business going.

As announced on our online platforms, we are now awaiting full details about a new Residency Plan that will be launched soon, replacing the current Individual Investor Programme (IIP) that will remain in effect until the end of this month, 30th September. We take this opportunity to invite you to follow Fairwinds Management [blog](#) for more updates about this plan.

I hope you enjoy this quarter's newsletter and I wish you good health!

Sincerely,

Dr Adrian Sciberras, FCCA, MIA, CPA, LL.B.(Hons)(Melit.), M. Adv (Melit.)
