

Corporate Services in Malta

Malta is a hub for financial and corporate services and this has created the right environment to operate companies within legitimate and transparent business structures. The island of Malta offers an excellent infrastructure and a reliable jurisdiction with a strong regulatory framework, making it a safe business centre to open and operate your company.

Chief Executive Officer
Fairwinds Management Limited

At Fairwinds Management, an accounting and administration firm with a corporate services approach, we assist our customers by helping them achieve their objectives. Renowned as the incorporation specialists, we offer custom made, cost-effective business solutions. Malta offers various tax incentives for foreigners seeking to set up business here, and has gained popularity due to its low corporate tax structures for non-resident shareholders of a Malta company. The island offers a very attractive environment for investors, making Malta one of the fastest growing economy in Europe and one of the most profitable investment locations.

Whether you would like to start up a company to operate your business or would like to avail of our back office administration services, Fairwinds Management will offer you a level of service which will exceed your expectations. Email us on info@fairwindsmanagement.net or call +356 2704 0903.
