## It's been a great year!

Dear client,

As we near the end of 2019, we look at our group of companies highlights. Most notably, Business Concept International plc recorded the best financial scores since its setup and a brand revamp exercise was conducted successfully for Fairwinds Management Limited, with the new logo being launched just a few days before exhibiting for the first time at the Malta A.I. & Blockchain Summit. Apart from participating in a new expo, once again, Fairwinds Management Limited also exhibited at SiGMA, The World's iGaming Village, that was held last week.

This year, a new Director was appointed both for Fairwinds Management Limited and Accounting Services Ltd to enhance our professional team. Moving forward, we are excited to start the new year which will surely bring new beginnings under one roof after having integrated Admin Genie with Fairwinds Management Limited in the past days. All our companies and brands are now located at our head office in Birkirkara.

Since as a group we strive for constant improvements in efficiency, we hope that all recent developments will further our vision to improve the clients' experience, exceed our standards and increase revenue to the group of companies.

On a personal note, 2019 was also a year to remember for me as I furthered my studies and graduated with a Master of Advocacy degree just a few weeks ago. Now I'm practising law with an established local firm in preparation of becoming a warranted lawyer next year. Furthermore, I have also opened two catering businesses, of which you can read more details below.

I take this opportunity to extend my warm greetings to you and your loved ones during this festive season. May it be filled with cheer, warm memories and happiness, and most of all, may you have a prosperous New Year!

Sincerely,
