Exciting challenges ahead

MESSAGE FROM THE MANAGEMENT:

During the past three months since when we've published our last newsletter, more changes related to the business scenario happened which are paving way to welcome exciting challenges ahead.

Until last week, our staff was working remotely due to COVID-19 pandemic and we took this opportunity to refurbish our workspaces on Level 1 and including offices for the new partners. This while also increasing meeting spaces by sharing meeting rooms with Sciberras Advocates that have occupied the office spaces on Level 0.

At the same time, we are also increasing our business efforts by extending our operations and set them to new levels. This is being achieved by earmarking a new office in a highly accessible spot in Gozo's capital city, Victoria. Apart from reaching out to Gozitan clientele by taking our services closer to them, this new office that will be inaugurated in the coming weeks, would also be reducing the travel time for our Gozitan employees who travel frequently between both islands for work.

During these times, we are also enhancing our presence in virtual conferences as following SIGMA's roadshow in March in Ukraine, once again, in the coming days, on 16th June, we will be participating in the roadshow that will be held in Germany.

Looking ahead, next month, on 11th July, we will be celebrating Fairwinds Management Limited for another active year as a Corporate Services Provider, offering accounting, legal and corporate services to local and foreign clients. The past 8 years were a learning business experience and although we experienced a number of business challenges, thanks to the trust put in us by existing and new clients, we still managed to strengthen our business operations and welcomed new team members to our growing team.
