News from your Corporate Services Provider

MESSAGE FROM THE MANAGEMENT

Welcome to the first Fairwinds Management newsletter of 2023. As your Business Solutions & Corporate Services Provider in Malta, we would like to take this opportunity to remind you that our accountants, and corporate and admin teams are ready to assist you with any enquiry or business difficulty you might encounter.

Companies in Malta are registered with the Malta Business Registry (MBR) according to the Maltese Companies Act. Once you decide on the best business structure, to form a private limited liability company, you will need to provide the following information:

- A name for the company
- The primary and secondary objects of the company
- The authorised and issued share capital
- A registered address in Malta
- At least one shareholder, one director and one company secretary.

A set of due diligence documents on the shareholders and directors also need to be presented for compliance purposes, together with KYC forms which need to be filled out. It's important to know that in the case where a shareholder of the proposed company is a body corporate, then a Form BO1 must be filed and submitted to identify the beneficial owner of the company.
